The Shelbyville Tailgate 2018 will be held on October 20 at the Shelby County Fairgrounds. We have use of the Family Arts Building so that folks can setup their tables on the inside or outside, weather depending. We will be open at 7:00AM for anyone wishing to setup their table space. At 8:00AM we will open to the general public. Admission is free. No charge for inside or outside vendor space. Soft drinks, Coffee and Sausage Gravy and biscuits available while supplies last. No charge but donations will be accepted. **NO ALCOHOLIC BEVERAGES ARE PERMITTED BY THE SHELBY COUNTY FAIR ASSOCIATION.** These folks own the property so we have to play by their rules. Your cooperation will be appreciated. We will be closing up shop around Noon.

This will be an old-fashion tailgate event where hams can get together, chew over old times and embellish their recollections of ham radio past. You can buy, sell or trade your ham related gear and visit with all of your ham radio friends. This tailgate event carries on in the tradition started by Ralph Polston, K9SEW, some years ago when he started having tailgates in his side yard. We are trying to maintain the spirit of those events and perhaps widen the circle of folks who might come visit with us. See you there. 73
